Stars

By Robert Frost

How countlessly they congregate
O'er our tumultuous snow,
Which flows in shapes as tall as trees
When wintry winds do blow!--

As if with keenness for our fate,
Our faltering few steps on
To white rest, and a place of rest
Invisible at dawn,--

And yet with neither love nor hate,
Those stars like some snow-white
Minerva's snow-white marble eyes
Without the gift of sight.

How countlessly they congregate

Indian counting with hand the teeth on hay; conman (prisoner) grating cheese

O'er our tumultuous snow,

Oar hour glass, tooth mowing snow with chewing

Which flows in shapes as tall as trees

Witch flying on flowers, Indian with knife, toy shapes, house tall house trees

When wintry winds do blow!—

Wind (black cloud), snowing, Winds (white clouds), mountain dew with blow dryer

As if with keenness for our fate,

House Jiff, measuring tape, king on knees, ford hour glass, feet

Our faltering few steps on

Hour Glass, fault line, pew steps, onion

To white rest, and a place of rest

Toe white, pillow, ant apple plate with lace, oven pillow

Invisible at dawn,--

Ghost with Indian feathers, hat dawn soap

And yet with neither love nor hate,

Ant yeti, measuring tape, knee thor, heart (chocolate), nar (pomegranate), hat
(baseball)

Those stars like some snow-white

Teeth Hose, stars lick, sumo, snow white

Minerva's snow-white marble eyes

Mineral water, Snow white, marble, eyes

Without the gift of sight.

Whiteout, teeth gift (present) oven snake with binoculars
