Our Deepest Fear

by Marianne Williamson

Our deepest fear is not that we are inadequate.

Our deepest fear is that we are powerful beyond measure.

It is our light, not our darkness that most frightens us.

We ask ourselves, Who am I to be brilliant, gorgeous, talented, fabulous?

Actually, who are you *not* to be?

You are a child of God.

Your playing small does not serve the world.

There is nothing enlightened about shrinking so that other people won't feel
insecure around you.

We are all meant to shine, as children do.

Our Deepest Fear

by Marianne Williamson

Our deepest fear is not that we are inadequate.

Deep dark well, rope with knot, duck at bottom (quack)

Our deepest fear is that we are powerful beyond measure.

Deep dark well, powerful strong man, tape measure

It is our light, not our darkness that most frightens us.

Light bulb, black paper, fries shaking

We ask ourselves,

Wii remote, flask, hour glass on shelf

Who am I to be brilliant, gorgeous, talented, fabulous?

Owl, brita filter lint, curious George, talons, football lace

Actually, who are you *not* to be?

Action marker, owl pirate, knot bee

You are a child of God.

Horse shoe pirate, apple child, oven, God

Your playing small does not serve the world.

Yorkie playing small toy, dozen knots, server with world on platter

There is nothing

Teeth Tire snake, knot on Thing (comics),

enlightened about shrinking

envelope with light, a boat shrink-wrapped

so that other people

Soap, teeth hat, otter, group of people

won't feel insecure around you.

Wood knot, swiping hand, lock, spinning around horseshoe

We are all meant to shine, as children do.

Wii pirate, shining light, children drinking mountain dew.
